

2022 Small Group Consecutive Tee Time Pre-Booking Procedure

Hillcrest Golf Club

The following procedures will continue our trial testing program for the 2022 golf season. After an evaluation of the 2021 trial program, the 2022 Ad Hoc Tee Time Committee approved the following procedures.

SOLUTION

Small group's will be permitted to book consecutive tee times throughout the entire season in advance, outside of the normal 7 day booking window.

GUIDELINES

- Each group will need to select 1 day of their choice for their consecutive times. No more than 1 day will be permitted. Groups will be assigned days & times based on a first come first serve and based upon availability.
- This procedure only applies to weekdays Monday – Friday and after 1pm on Saturday/Sunday.
- In 2022, based on the limited supply of tee times, no group times will be permitted until the cart path repair project has been completed and we return to 18 holes of play.
- Each day (Monday – Friday) may not exceed 6 total tee times by any combination of small groups within that day. I.E.- Two, 3 tee times groups; three, 2 tee time groups, etc.
- If multiple groups play on the same day (*limited to provision above*), their tee times MUST be at least 1 hour apart from one another. They can NOT follow each other consecutively.
- Groups will be given no less than 2 & no more than 3 consecutive tee times on their day of choice, based upon availability (tournaments, events, weather, etc). No more than 3 consecutive times will be permitted.
- Time of day for consecutive tee times will fluctuate week to week up to 2 hours of the previous week. For example, Week 1 times might start at 10am & Week 2 times would start around 11am.
 - To spread the tee time availability around each week to the public, small groups are NOT permitted to play at the same time each week.
 - Hillcrest staff will provide an exact date/day/tee time start list to each group leader for the entire season so that they can inform their group of their specific times each week.
- Golfer names for each reserved tee time MUST be provided to Hillcrest Professional Staff 72 hours in advance. Unused slots will be released to the golfing public.
 - Names and tee time MUST be accurate.
 - If pairings for one or more of your reservations do not have 4 players to fill the tee time, Hillcrest reserves the right to place singles into the unfilled slots.
 - Hillcrest WILL NOT “squeeze” or add any additional times to already reserved consecutive time slots.
- To obtain these reservations in advance, each group MUST pay the following pre-booking fee to Hillcrest Golf Club.
 - 2 Consecutive Tee Time Groups = \$500 ; 3 Consecutive Tee Time Groups = \$750
 - Fee needs to be paid in full to Hillcrest Golf Club by May 15, 2022
 - Fee needs to be paid in full in 1 single transaction.
 - Fee payments include cash, check, Hillcrest gift card, credit/debit card.
 - Group leaders are responsible of collecting fees from their group participants however they deem appropriate. Group leader will then pay Hillcrest in 1 single transaction.
 - \$500/\$750 one-time pre-booking fee covers group reservations for the entire 2022 season.

Revised April 15, 2022

- \$500/\$750 pre-booking fee is non-transferrable and non-refundable.
- Trail fees and cart fees are not part of pre-booking fee. These fees are collected at check-in

Any abuse of the procedures or guidelines above will result in a termination of the groups pre-reserved consecutive tee times. Hillcrest Golf Club has the right to change, update, or void these procedures at any time.
